

the ewell gantz park plan and you

The City of Lancaster has decided to take the exciting next step to create a new Concept Plan for Ewell Gantz Park... **and now we're asking for your help!** Your feedback is crucial.

Ewell Gantz Park is a 2300 sq ft park at the corner of North St and S. Christian Street. It is a pocket park with play equipment and benches. A mural celebrating the lives of community activists Barney Ewell and Ida Gantz overlooks the small parklet. The park is in need of a refresh.

Vision Board Workshop

Vision Board Example

What is YOUR vision?

Imagine Ewell Gantz in 1, 5, and 15 years!

1. What do you want the park to **LOOK** like?
2. What do you want the park to **FEEL** like?
3. What do you want to **DO** in the park?

Can you see it? Now tell us about it using our handy **vision board kit** on the following pages.

What's a vision board? A vision board uses pictures and words to visually represent goals. Using the attached pages, show us how Ewell Gantz can be the best possible park for you, your family, and your neighbors!

How? We'll walk you through it:

First, find or make images that represent the park of your dreams. You can:

- Cut out and use the images provided
- Add photos from magazines or online
- Draw the park you want to see

Second, paste or tape the images onto the attached "My Ewell Gantz Park Vision Board" sheet.

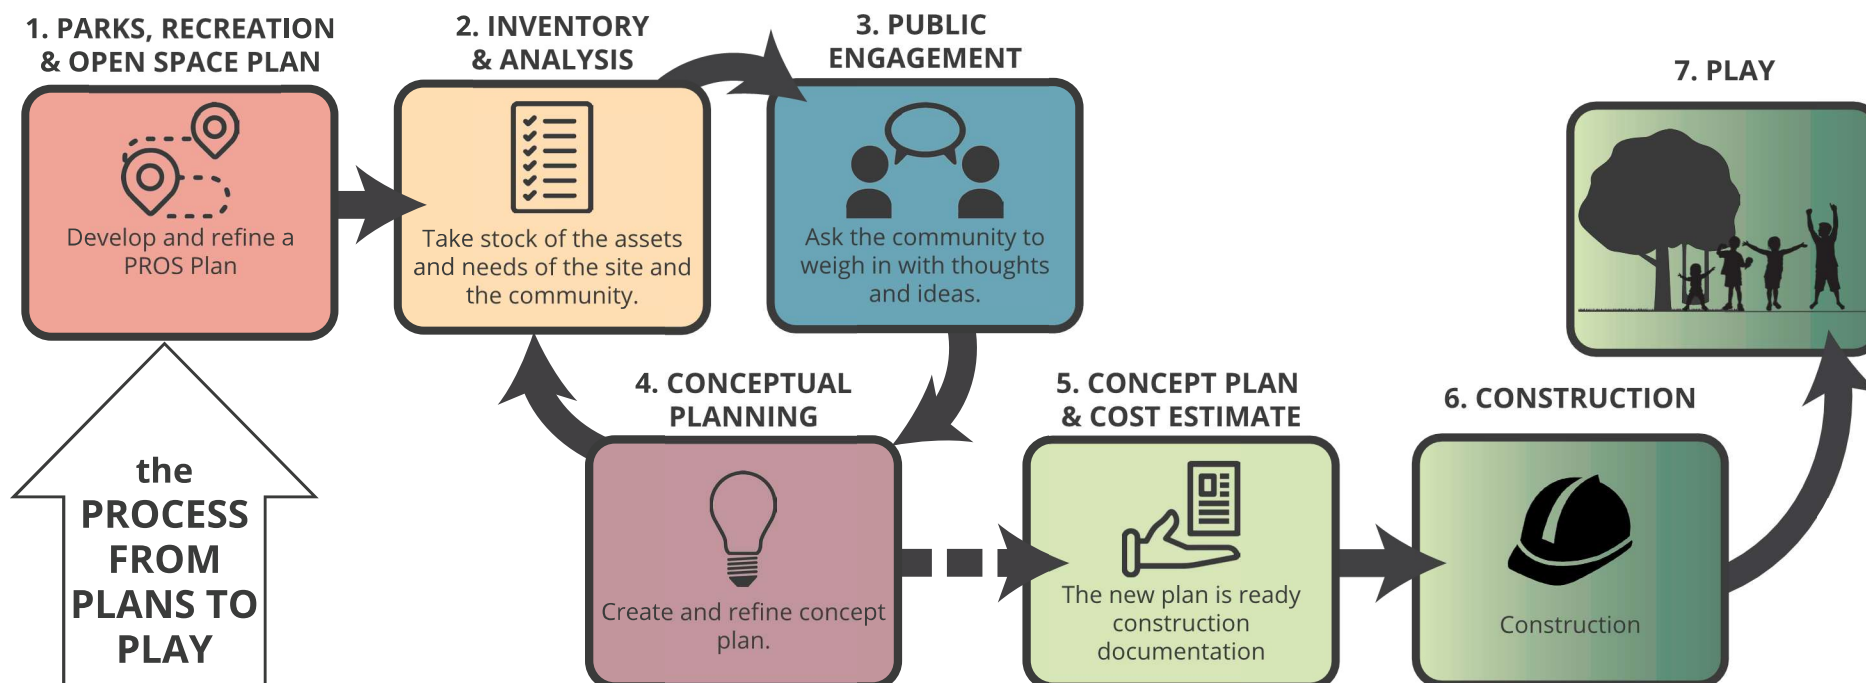

Third, scan or take a picture of your finished board. Make sure you're able to clearly see the board, however you decide to digitize it.

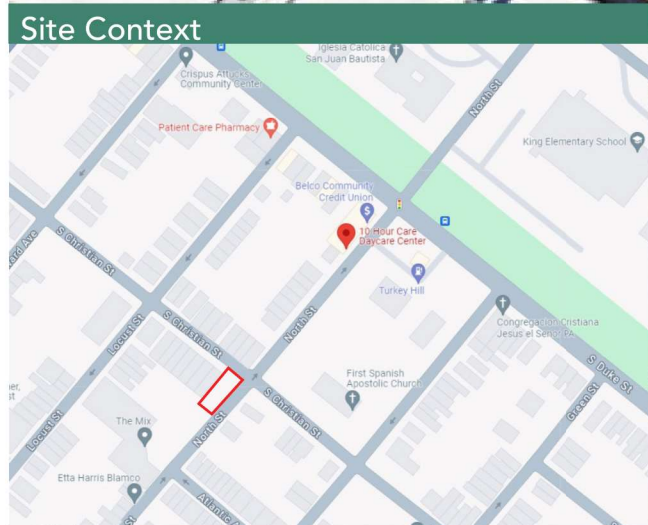

Fourth, send us your board! You can email it to us at emhamme@cityoflancasterpa.gov or you can drop off your finished board in person at **City Hall, 120 N. Duke Street c/o Karl Graybill/Emma Hamme, DPW.**

We will use these boards to guide discussion at our first public meeting. Please join us on Tuesday, June 4, 2024 at 5:30 for a meal and from 6pm-8pm for the workshop at The Mix/ Branch & Vine 520 North Street.
