We Need Your Feedback!
Join the City of Lancaster at a public meeting to learn about the S. Ann and Juniata Street Safety and Streetscape Improvements. Gain an understanding of the project and help define the direction of the project. There will be a brief presentation followed by an open house where attendees can review project materials.

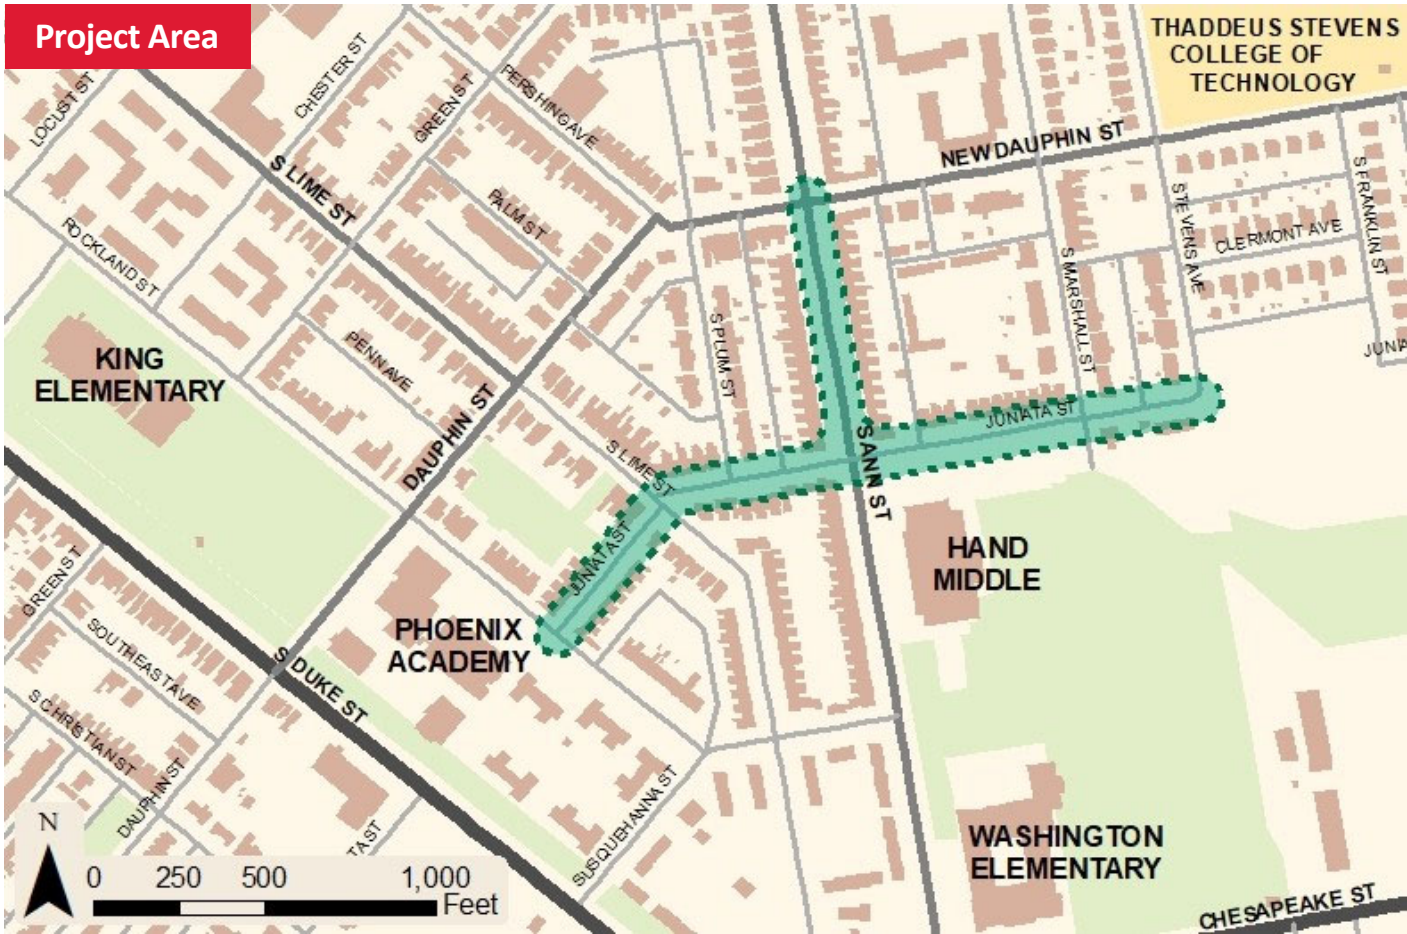
Please visit the project website for general project information and to provide feedback on recommendations.

The Common Wheel will be on-site offering free basic bicycle repairs and free helmets, while supplies last.

PROJECT GOALS


1. Provide functional and attractive **streetscape improvements.**
2. **Enhance safety** along the corridor and at intersections.
3. **Prioritize** improvement locations.
4. Establish **implementation strategy** for construction of the improvements.
